COVID Safety Guidelines For In-Person Programming

**Please check back for any other developing safety guidelines. These terms are subject to change. We will share updates as needed depending upon COVID developments.*

- A final list of safety guidelines will be shared with all exhibitors and attendees before the each event. *Look for more details & guidelines for each in-person site before each event.*
- Exhibitors registering for the Montana in-person events and programming agree to follow all current and developing safety guidelines for participating in each fair event.
- Each hosting event site will have their own safety protocols, and these guidelines will vary by site. By attending, exhibitors agree to follow all required safety steps for each site.
- Some example guidelines that sites may implement are (*but not limited to*):
 - ✓ Social distancing guidelines will be implemented to the best of our ability in room setup/spacing/flow of traffic, etc.
 - ✓ Sanitizer stations will be available at entry way of the in-person event.
 - ✓ Masks may be required of all exhibitor representatives. Masks are encouraged for students/counselors/etc.
 - ✓ For in-person exhibitors, proof of vaccination may be required before entering the hosting room. For student/counselors/parent, and event attendees, vaccination may be recommended.
 - ✓ Site hosts may choose to take temperatures of exhibitor representatives before they enter the venue.
 - ✓ If you are not feeling well or exhibiting symptoms of illness (fever, etc.), we ask you not attend in-person programming and only attend virtual programming.
 - ✓ On-table safety screens, sanitizer, etc. are welcome at each exhibitor table if the representative chooses to bring these themselves. MPSEOC will not be providing these for each exhibitor table. Please check with us if you have other ideas for safety. We are happy to try and accommodate your additional safety needs if possible.
 - ✓ If any exhibitors have health sensitivities or worries about COVID, we suggest attending our virtual event and not the in-person fair.
- Please check back middle of March 2023 for updated guidelines. With questions, please contact us @ 406.531.3531 or Amy.Leary@MontanaColleges.com. Thank you.
